The carelessness of some people entrusted with the care of others, was instanced in the forgetfulness of militia company commanders to return vouchers to the chief commissary for the feeding of the guardsmen at the recent visit of the president. MEETS DEATH WHILE AT PLAY

Baby Boy Drowned in a Ditch at Boise, Idaho.

SON OF MOSES CHRISTENSEN

Father Has Just Gone East, but Has Been Notified and Will Return Home Post Haste.

Little Dick Christensen, the 3-yearold son of Mr. and Mrs. Moses Christensen, was drowned at Boise, Idaho, at noon yesterday. The terrible accident occurred at Riverside park in a small ditch 18 inches wide and 10 inches deep while the babe was at play with his brother. Mrs. Christensen, at the time of the drowning, was in the park office, while the two little boys were playing about outside. Failing to hear their voices, as she usually could. Mrs. Christensen sent Lawrence Russell out to find them. He returned without the children, and the mother, now aiarmed, ran out herself and found lit-tle Dick lying face downward in a ditch near the pavilion. Dr. Springer was telephoned for, but upon arrival saw that his services would be of no avail, as the little chap had been dead several minutes before the mother's fear-ful discovery. An employe of the park named F. Sorenson saw the boy about the same time and has this to say of the occurrence;

"The ditch is curbed with stone around the west end of the pavillon and as it turns the corner, it widens out in-to a little pool about six feet wide and perhaps 15 inches deep in the center. The body was floating face downward

in the pool with the child's feet facing the current. "I believe the boy was dead when his mother found him. How long he had been in the water I cannot say. His mither missed him a few minutes before and was searching for him. I did not notice what became of the elder boy, Victor, nor have I any idea how little Dick fell into the water. His forehead was bruised, indicating that perhaps he struck the stone curbing and was dazed when he fell into the

water."
Two facts which help to make Mrs. Christensen's burden the more heavy, are that her husband has just gone east, having been in Sait Lake less than east, having been in Sait Lake less than two weeks ago, and that she saw the drowning, on Wednesday, of the Stephenson boy. Indeed, she was just telephoning Mrs. Stephenson before she went out to search for poor little Dick. The funeral will be deferred till the return of Mr. Christensen, who has been notified.

Mr. and Mrs. Christensen are well known here, having with his brothers conducted a dancing academy. Mrs. Christensen was formerly Miss Carrie Christensen was formerly Miss Carrie Nichols, daughter of Mr. and Mrs. C. Sum Nichols of this city. The family had only recently removed to Boise for the summer. Mrs. Christensen's mother and brother Charley left here last night for Boise. The sympathy of their many friends in Salt Lake is extended to the stricken family.

CRUSHED TO DEATH. Henry Jensen of Richfield Killed by

Big Saw Log. (Special to the "News.")

Richfield, June 5.—Henry Jensen, 19 ears old, was killed about 7 o'clock last evening by a heavy log rolling upon him and crushing out his life. Having gone to the mountains for a load of logs he was coming down a side hill on his way home when it is supposed that his load sagged to one side and he alighted to remedy the difficulty. In some way one of the heavy timbers rolled off the wagon and on to Jensen's body. Failing to put in an appearance at the usual time young Jensen was missed and a party went out to search for him. Of this ent out to search for him. party was an older brother of Jensen, d he it was who discovered the body Mrs. Margaret Volman, a sister with whom the two orphaned boys have been living, is completely prostrated and grave fears are entertained in her case. (Special to the "News.") Payson, June 5,-J. C. Abegg was thrown from his wagon here last night while returning from his work, sustain ing injuries of a very serious nature. His team, it appears, took fright at a plece of paper floating down the ditch and their restlessness caused a tug to become unhitched, letting the tongue down. The team then ran away, throwing Mr. Abegg out against a telephone pole. He was rendered unconscious and remained so for two hours, not being able to recognize anyone. This morning, however, he seemed to be much better and hopes are now entertained for his recovery. It is believed he for his recovery. It is believed he struck on his back and was injured in-

CITY SCHOOLS STILL SHORT. But Deficit Was to be Raised Today by Senator Bamberger.

A meeting of the principals of the Salt Lake City schools was held in Senator Bemberger's office last night to report on the shortage in the teachers' fund. It was discovered that instead of there being a shortage of \$4,943, as at first reported, that that amount had been increased to \$5,617, being an increase in the shortage of \$674. This additional amount will be raised by Senator Bamberger today so that the teachers may receive their salaries tomorrow. He had already secured a sufficient amount to make up the deficit as first eported, but will now proceed to make

up the increased shortage.

The principals state that the shortage was due to the fact that a number of the patrons had failed to pay their subscriptions, preferring to shift the bur-den on Senator Bamberger and his as-sociates. Only four schools, the Lowell, sufficient funds to meet their expenses nd a number which reported as having aised the full amount needed, were re ported as short last night. The Fre-nont school was short, but Principal Nelson stated that the teachers had agreed to stand the loss among them-
